Message from the President

Dear Students and brand new Alumni of St. Mike's,

There is a tide in the affairs of men
Which, taken at the flood, leads on to fortune;
Omitted, all the voyage of their life
Is bound in shallows and in miseries.
On such a full sea are we now afloat,
And we must take the current when it serves,
Or lose our ventures. (***Julius Caesar***, IV.ii.272-78.)

During this past year at St. Michael's College School, we have all been swimming in the tide of Goodness, always flowing, never ebbing. And now, overcome with this flood of emotions at year's end, seeing the Class of 2017 emerging from the Arch into the world, and the rest of us diving into a summer of refreshment before the next tide, we rejoice with one voice – indeed, in our united chorus of the Hoikety Choik – confident that we have deftly and courageously navigated the shallows and miseries of our voyage of Discipline, all the while striving earnestly to carry ourselves successfully afloat on the full seas of Knowledge.

(It's almost alarming, isn't it, how there are Shakespearean lines – and ABBA songs too! – to suit any and every situation in life?)

As this year closes, overflowing with spirited and joyful ventures, sometimes lost and often gained, the Tower yearbook chronicles these oh! so many ways in which we swam with the currents of our school lives. The retrospective gaze of these colourful and vibrant pages, whenever opened and perused, will happily recall and keep ever alive in our mind's eye and in our heart of hearts these boisterous and exhilarating affairs of us St. Michael's Men, showing us again and again who we are and who we are always becoming. It is a tale ever ancient and ever new, a tale steeped in tradition and yet a tale refreshed and renewed by every young man who bleeds Double Blue – a tale that always leads on to good fortune.

To the Class of 2017, this Tower is the last yearbook in your SMCS collection, until your son(s) begin to bring theirs home. Cherish the memories that are enshrined here. Come back to St. Mike's to tell and retell these stories that will never grow old nor stale. To all returning students, let us resolve to repeat everything that is good in this pictorial commemoration of 2016-17, and let us pledge to outdo ourselves next year in fresh and new triumphs of Goodness, Discipline, and Knowledge.

St. Michael the Archangel, pray for us!

Fr. Jefferson M. Thompson, CSB '79
President

Message from the Principal

This year's edition of the Tower yearbook serves to recapture special moments of the St. Michael's College School community. Through our history, the yearbook has served our current students and alumni as a source of pride and great memories of their years at SMCS.

Our boys continue to shine spiritually, academically, socially, physically, and emotionally and the Tower yearbook is a reflection of that. The picture-filled pages also showcase our boys immersed in fun and pride-filled moments. We are proud of our graduating class as they go out to change the world through lives of faith, character and service

This year's Tower will mark our time in history and each and everyone's contribution to our own community as well as the greater community we serve. Thank you to all those who have contributed to the production of this year's edition of The Tower.

Congratulations and well done!

CLUBS & ACTIVITES

The SMCS Anime Club is one of the largest clubs at the school with almost 80 members actively taking part in either the meetings or Edsby group. The group is comprised of members from every grade. Students gather every Thursday to watch contemporary and classic Japanese animation shows. On special occasions the boys also play video games and take part in gaming tournaments. The end of the year event, the Anime North Convention was attended by about 15 club members from SMCS. Mina-san, ganbatte kudasai!

Archery Club

Ethan Ahn, Thomas Bishop, Vito James Burdi, Scott Bowman, Tony Cai, James Carvalho, Luca Dallan, Jackson Fisher, Andriy Kalatskyy, Harrison King, Hayden King, Isaac Kuk, Anthony Liu, Karol Lukowski, Christian Mastrangelo, Marcus Mersch, Ishan Nanda, David Oduro, Jonathan Paglialunga, John Sangster, Liam Scott, Dylan Shin, Mark Sinclair, Liam Strijkers, Eric Strube Garcia, Marco Stupp Acosta, Nicholas Vourlas

The Blue Archers experienced an incredibly successful year with over 20 archers joining the ranks to either learn to shoot for the first time or to hone their skills. Captained by Scott Bowman and Anthony Liu, archers from Grade 7-12 had the opportunity to shoot weekly in the dungeon as well as in the mornings and evenings in the school gym. Hosting over 12 schools at the Fr. Mulcahy Memorial Tournament, the club demonstrated their love for the sport, fair play, and were excellent ambassadors for the school as well as the sport.

Art Club

Left to right: Anthony Norkus, Daniel Richniak , James Carvalho & Thomas Bishop
Moderator: Ms. Louise Pignetti

The Art Club is great place to unwind and create art while listening to music. Students come by AS2 to either work on class assignments or work on personal visual art projects throughout the whole year. A fully vented hood in the back studio allows street art enthusiasts to explore new spray paint techniques in a well-vented area. Others enjoy working in Photoshop in the mac lab or enjoy working on paintings or drawings of their choice. This informal studio time is available to all students in any grade whether taking visual art courses or not.

Asian Association

Left to right : Alec De Sousa, David Sallese, Andrea Zito, Eric Luhas, Chris Chong, Kyubynn Chung, John Selby, Nithushan Ananthakumar, Ryan Fazl, Norman Dang, Dylan Ellison, Joogho Kim, Seho Park, Anthony Liu, Kishen Perera, Nicholas Vourlas, Oliver Jannetta, David Babando, Gregory Battista, Krishani Khaldler, Matthew Borinsky. Eric Iuhas. Moderator: Mr. Cahatol

The Asian Association is one of the largest clubs in the school with over 100 members. Its purpose is to promote Asian cultures within the school. Students do not need to be Asian to take part; all they need is an interest in food, language, and traditions in Asia. Over the course of the school year the club has had a number of successful events. Throughout the year the group went to numerous different restaurants to enjoy Asian cuisine - in some cases the group took up half the restaurant.

Badminton Club

Isaac Kuk, Kishen Perem, Anthony Liu, Adam Buliez,Oleksandr Feoktistov, Javert McGregor, Ethan Ahn, Dylan Shin

Moderator: Mr. Toste, Mr. Hill

Badminton is an aerobic activity that requires finesse, hand-eye coordination, and strategy. With over 30 registered participants the badminton club has thrived here at SMC. Each grade level was well represented and students with varying degrees of experience joined in. Our boys demonstrated their love and passion for the sport by making the commitment to arrive in the gym every Tuesday and Thursday morning at 7 a.m. The members of the badminton club would like to sincerely thank the Parents' Association for their assistance in purchasing much-needed racquet's and birdies. We would also like to thank Mr. Hill, who assisted in the supervision and organization of the club.

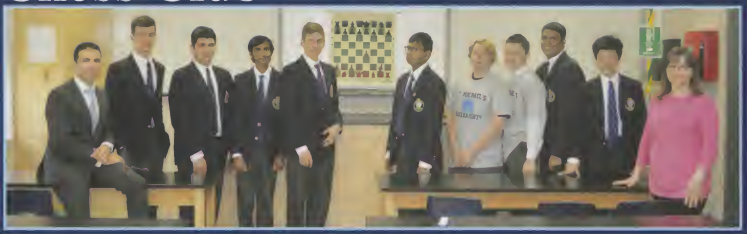
Chess Club



The 2016-17 Chess season was marked by a new wave of leadership anchored by Rishon Ramlogan who also won this year's second annual in-house chess tournament. The Blue Knights breezed through qualifying rounds for the Toronto Secondary School Chess League (TSSCL) taking top spot. Although they did not place in the TSSCL Final Team Championship, St. Michael's College School and the Blue Knights were privileged to host the prestigious tournament for the first time which was a resounding success. Thanks are extended to SMCSPA for their support that has allowed the Blue Knights to thrive and educate the young minds of SMCS students and continue to promote a love for the game.

The SMCS Financial Literacy Club embarked on a lofty goal this year to enroll in a licensing course: the Investment Funds in Canada Course. This course provides foundational knowledge with respect to mutual fund investments and provides greater insight into a mutual fund representative's legal, ethical and professional responsibilities (CSI.ca). The group has engaged in studies this year in preparation for the exam. Approximately 6 students have registered to write the exam this coming fall. If successful, these students will be some of the youngest to achieve this level of licensing. We wish them well this fall!

"This was the inaugural year of SMCS's Green Initiative Club. They set their sights high, but realistic. Throughout the year they managed to study specific case studies from different institutions, created PSAs for the general school population, and helped update the school's recycling program. In addition, representatives from the group were chosen to help the new build committee design "green" aspects to the school."

In the course of the year, the team attempted more sophisticated, improvised scene work in 3-5 minute sketches incorporating the traditional improv motifs of" story, character, life, style, and theme. Team members form strong, positive friendships while developing the basics of improvised comedy and to build confidence in their communication skills.

The Italian Club is the main promoter of Italian culture at the school. There are a fair amount of students of Italian descent and so the club educates those who are of Itlaian background and those who are not. The club hold numerous events and meetings, some of which include: the Briscola Tournament and excursions to ICFF (the Italian Contempory Film Festival).

Math Club

This year the Senior Math Club participated again in the High School Math League, competing in monthly math contests against students from schools across the country. Although they were just shy of a top ten team finish in Canada, Luca Sardelitti distinguished himself as one of the top scorers in Canada. The Senior Math club members also held another spectacular Annual Bake Sale using proceeds to produce club t-shirts and to contribute to charity. Lastly, the members also wrote school wide contests, such as the Fermat, Euclid, Canadian and American Open and as a result, became participants in the ensuing invitational math contests. Congratulations, on a job well done!

The SMCS Peer Tutoring Program was a huge success! We had over 25 peer tutors who tutored our students from grades 7 to 12. Our tutors were able to help students in a wide range of subject areas, from Physics and Math to French and History. The peer tutors typically meet with students one to two times per week. The tutoring usually takes place before school, during lunch period or after school. Students interested in having a peer tutor for the coming year must first see their Guidance Counsellor for further information.

Student Prefects are leaders within the St. Michael's school community and ambassadors for the school in the broader community. Their roles are many and varied: greeting guests; conducting tours; assisting with events such as Christmas in the Courtyard, Open Houses, Welcome Days, Parent-teacher evenings, and many others. They also represent St. Michael's College School at outside events to which student leaders have been invited. Most importantly, Prefects model what it means to be a St. Michael's Man for all students, and especially those new to our community.

By the time the Central Toronto League started in January, two solid teams had formed and they represented the school admirably. The TTC fare inspectors were an initial challenge, and UTS more so in the latter stages. In the playoff round St. Mikes reached the semi finals. The season ended with the now traditional pizza party in April.

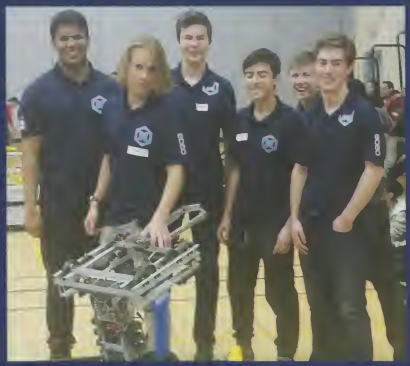
This has been an exciting year for the Student Government. A new constitution was signed and promulgated in the Spring of 2016. The constitution highlighted greater autonomy and accountability for Student Government and this year's group rose to the challenge. Student Government is responsible for planning and executing events meaningful to the student body; to represent current St. Mike's students and their interests to the broader community, and for building up school spirit and morale.

The 2016-17 Student Government raised funds for our school's unprecedented partnership with Habitat for Humanity to help build a home for a deserving family in the city of Toronto. They also raised funds for Crohn's and Colitis Canada in support of a classmate who was marching in the annual Gutsy Walk for research and awareness. In addition, Student Government coordinated Spirit Week, the Thanksgiving Food Drive to support The Good Shepherd Refuge, and the Christmas Food Drive for the families of Holy Rosary parish supported by the St. Vincent de Paul Society. This year's Student Government also reintroduced ZING-O, an exciting, morale-boosting, school wide game first introduced in the homeroom of the late Fr. Cecil Zinger, CSB, in the early 1970's.

VEX Robotics



This year the VEX Robotics BlueBolts had three teams enter the VEX Robotics Competitions. The teams attended three tournaments during the school year with varied success. Through hard work in the Robot skills challenge the team qualified for the Provincial Championships in St. Catharines. Although the teams did not move on from Provincials a lot was learned in the design, building and programming of the robots. Most of all the team demonstrated a resilience in bouncing back from challlenges and had fun while doing this.

FALL ATHLETICS

Jr. Football

After posting a full regular season record, the Junior Kerry Blues won the CISAA league Championship with a 37-10 victory over SAC. The team advanced to the Ontario Regional Football Championship, which they had won in 2015. A first round match-up against the Michael Power rekindled a rivalry from St. Michael's past in the TDCAA. After defeating the Trojans, the Junior Kerry Blues fell to eventual Provincial Champion, Richview Saints. The future looks bright for the programme with many moving on to Senior football, but with a good number of freshmen set to return for their Grade 10 campaign in September.

Varsity Football

The season was highlighted by a visit of the Detroit Catholic Central Fighting Irish to St. Michael's for the 3rd Basil Bowl game in many years. This was the first game in the history of the Kerry Blues that an American team stepped onto the Canadian field at St. Michael's. Homecoming 2016 and the 2nd annual Battle of the Blues game topped off the season highlights for the Kerry Blues. The team's record was 4 wins and 4 losses, which represents a fantastic improvement from the 2015 season. Unfortunately, the team lost a close game to St. Andrew's in the CISAA semi final. In an effort to end the season, the Kerry Blues established the first ever "Senior Bowl" held at St. Michael's. The Kerry Blues hosted the Central Tech Blues and Thistletown Collegiate to capture the inaugural Senior Bowl title. Head Coach Mr. Heijmans and Assistant Coach Mr. Vella would like to thank the players for their commitment to the team and their enthusiasm on the field. The SMCS U14 roster is always a blend of grade 7's and 8's and typically competes against teams comprised only of grade 8's. The Junior Azzurri had a most successful season this year. They reached and hosted the final after a record of 5 wins, one tie and one loss. The boys hosted Crescent, who managed a tie at home earlier in the season. The uptown boys' good fortune however, was about to run out. With a commanding performance, the JR team demonstrated why they deserved to to earn the defence of last year's championship. With goals from David Zamparo, Luke Federico and Declan O'Sullivan the Azzurri sealed back to back gold medals. The coaches would like to thank the players for their leadership and maturity on and off the field. We wish the grade 10's all the best moving up and look forward to seeing the 9's at tryouts in the Fall. Coaches: Mr. Gustavo Escobedo, Mr. Noel DiTosto '99

Despite their lack of experience and suffering growing pains at the beginning the team posted solid performances. As the year progressed the boys started moving their way up the standings finding themselves in second place after the regular season with a 6-2-1 record. After an exciting semi final win the squad once again faced UCC in the final. The Azzurri showed great poise and determination but unfortunately came out on the short end of the result. The Blue Harriers had another successful and enjoyable competitive season. Over 45 students took part on this year's squad. The team won several invitational meets in which more than 100 other schools participated. At the CISAA Championships, the Midgets finished in second and both the Juniors and Senior won easily. The Juniors placed 7 runners in the top 8 individual positions. In the overall scoring, St. Michael's won its 38th consecutive title a streak extending back to 1979, probably the longest league winning streak in Canadian high school sport. At the OFSAA championships the Juniors won the provincial title finishing 150 points ahead of the nearest competition. The 2017 Blue Gaels' Varsity lacrosse team came into their season with the combined pressure of high expectations and unfinished business. Rising to the challenge, the team coalesced around a core of veteran leadership and youthful energy, and persevered through a grueling schedule. Season highlights included defending their Double Blue Invitational title, reclaiming their Basil Bowl trophy and, once again, capturing their rightful CISAA League crown over SAC. Starting their OFSAA title defense as the number one seed, the team was pushed in the round robin games and the semi-final, but found themselves in a familiar spot by the final day. In the gold medal game, down 2 goals late in the first half to St. Peter's, the Blue Gaels' once again found a reason to rally, and crushed the spirits of their perennial rivals with a 10-0 run to cement their "three-peat." Congratulations to the team on their success, the coaches wish the graduating players continued success on and off the field. Coaches: Mr. Angus Dineley '03, Mr. Matthew Pagano '92, Mr. Cory Lance

Prayer to Saint Michael the Archangel

Saint Michael the Archangel,
defend us in battle,
be our protection against
the wickedness and snares of the devil.
May God rebuke him we humbly pray;
and do thou, O Prince of the Heavenly host,
by the power of God, cast into hell
Satan and all evil spirits
who wander through the world
seeking the ruin of souls.
Amen
